Clinical Advances in Male Urology

Institute of Physics, London
11th and 12th October 2010
Objectives
Clinical Advances in Male Urology will bring together leading experts in the fields of urology, andrology, oncology and men's health to discuss the central issues and current challenges in the assessment and management of male urological conditions.
Participants will benefit from:
- A comprehensive overview of the new NICE guidelines for management of lower urinary tract symptoms in men
- Further understanding of andrological conditions including Peyronie's disease, erectile dysfunction and priapism
- Insights into scrotal and testicular imaging, as well as prognostic indicators and treatment options for testicular cancer
- Updates on the latest in adolescent urology and options for reconstructive surgery
- A focus on benign prostate conditions including prostatitis, CPPS and benign prostatic enlargement
- Expert opinions on prostate cancer including early detection, focal therapies and surgical therapies

Who should attend?
Clinical Advances in Male Urology is aimed at all medical professionals and will be of particular interest to:
- Urologists
- Urological surgeons
- Uro-oncologists
- Specialists in men's health
- Andrologists
- Oncologists
- Radiotherapists
- Radiologists
- GPs with an interest in urology, men's health or oncology
- General surgeons
- Specialist nurses in urology, men's health or oncology
- All trainees in these disciplines

Booking conditions

MA Healthcare Ltd (The Company) accepts bookings under the following conditions:

1 All correspondence will be sent to the participants at the address specified on the booking form or over the telephone. (This address will also appear on the official participant’s list).

2 The completed booking form together with full payment must be sent to MA Healthcare Ltd. A confirmation will then be issued. Cheques should be made payable to MA Healthcare Limited. Returning the signed registration form constitutes a firm booking.

3 Bookings may be made by telephone but payment must be made in full by credit card.

4 All payments, including credit card, must be in sterling.

5 The Company reserves the right to cancel a booking if payment is not made six weeks prior to the conference taking place. Any outstanding payment becomes the responsibility of the signatory made on the reservation form.

6 Payment for any booking made within six weeks of the conference will still be due irrespective of whether the delegate attends.

7 Should you be unable to attend, a substitute delegate may take his/her place. Notification must be received in writing one week prior to the conference.

8 The Company reserves the right to change the conference speakers in cases of illness or other conditions beyond its control.

9 The Company does not accept responsibility for loss or damage to delegates’ own property and/or personal effects caused by events beyond its control, including (but without limitation) fire, flood, strikes, civil disturbances or for consequential loss or damage of any kind whatsoever.

10 Speakers approached at time of print.

Cancellation of booking

Written cancellations received six weeks prior to the conference will be accepted and a refund of 90% of the booking charge will be made. After this date, no refunds can be given. Verbal cancellations will not be accepted.

If written cancellation is not received six weeks prior to the conference full payment will still be due irrespective of whether the delegate attends the conference.
